GROUPE RAPIDO

20 years of travelling together

There are moments that you never forget.
For 20 years, ITINEO has been there for these simple and precious moments that make travelling an experience to be shared.

The 2027 collection celebrates this anniversary with a new take on travel. Modern interior styles, featuring innovative shapes and materials, a revamped exterior design and a new front bumper emphasise the unique style of this new collection. To mark its 20th anniversary, ITINEO has packed three of its models full of features and given them an exclusive design.

This development confirms the ITINEO identity: modern, accessible and focused on the joy of travelling. With its 10 models, ITINEO continues to offer vehicles for every need, to make travelling simpler and more enjoyable.

For 20 years,
one thing has
never changed:
the best journey is the one shared with others...

20 years of making memories

20 years of journeys, spontaneous getaways, landscapes travelled, shared memories and rediscovered freedom, with family, as a couple or with close friends.

2006
2026

Paving the way for every wish

Because travel is for everyone, ITINEO has always designed vehicles for families who want to spend time together, couples who love to set off on a whim and first-time travellers who are finally taking the plunge.
Our models offer a cosy, practical and welcoming travelling environment. Vehicles where you can live, share and make memories.

Reinventing travel, while keeping the passion alive

Over the years, ITINEO has continually modernised to adapt to travellers' new desires for escape and their expectations.
Designs evolve, layouts become more comfortable, and styles are refreshed, but the shared experience remains unchanged. Each new collection builds on a promise: that of enabling everyone to experience emotions and make memories together, as they travel the open road.

For 20 years, ITINEO has been turning every journey into a human adventure.

3 exclusive models to celebrate 20 years of travel

ITINEO marks its 20th anniversary with a special series featuring three unique models. Available exclusively as anniversary editions, they are high-spec, with their distinctive exterior design and DUNE upholstery featuring 20th anniversary embroidery.

PM740

Spacious nights, for a different way of travelling

Choosing the PM740 20th anniversary edition means travelling in the utmost comfort, with spacious sleeping arrangements and an extensive range of standard features.

CJ660

Twin beds to accompany your journey

The CJ660 20th anniversary edition combines twin beds and high specs to offer a more relaxed and comfortable travel experience.

MC740

An XXL central bed for comfort

Through its numerous standard features, the MC740 20th anniversary edition embodies a vision of travel where space, elegance and comfort are one and the same.

New features in the 2027 collection

— The exterior

A new look on the road

The 2027 collection showcases a new, more modern visual identity. Every detail has been redesigned to enhance the ITINEO style.

An even more distinctive style for our A-class models

A new front bumper on the A-class models, designed to stand out on the road, in particular with full LED lights.

A unique signature on each model

A new side design, in keeping with our DNA, gives each range in the 2027 collection its own unique identity.

New features in the 2027 collection

The interior

An interior designed just for you

On board, everything has been redesigned to offer a smoother and warmer experience.
A new style focused on greater comfort, with key changes to our A-class models and improvements to our low-profile models.

A natural and calming atmosphere

With the new "Mineral" style, the 2027 collection showcases its natural materials and modern finishes.

More space, more storage

The spaces have been redesigned to maximise storage and allow you to travel with ease.

Harmonious materials

The new Cocoon, Warm Grey and Dune upholstery styles, which complement the furniture, bring the whole living room together to create a unique style.

Travel carefree with ITINEO

WARRANTIES

- 2-year chassis and living area warranty
- 5-year watertightness warranty

In addition to the contractual 2-year warranty for your vehicle and the manufacturers' warranties on original accessories installed during assembly, you enjoy a 5-year warranty on furniture frames and watertightness when you have your vehicle moisture-checked annually during the 4 years after it is first registered. The warranty covering accessories fitted at the dealership is provided by the original manufacturers under their terms and conditions, through the dealership or fitter. The chassis warranty is provided by the chassis manufacturer. Cost of transport is borne by the customer. Motorhomes, campervans and vans are designed for leisure use. Under no circumstances are they intended to be used as a permanent home.

INFORMATION AND WEIGHTS

Weight is a key consideration when choosing your recreational vehicle (motorhome or campervan), along with layout and design. Each motorhome has a maximum weight that must not be exceeded when driving.

Scan this code for information to help you choose the right configuration, according to the weight restrictions, when selecting your new vehicle from our range.
