CAMPERVANS | COMPACT LOW-PROFILE | COMPACT A-CLASS | LOW-PROFILE | A-CLASS

DEAR MOTORHOME ENTHUSIASTS,

For over 65 years, RAPIDO has been helping you fulfil your dreams for travelling with an unrivalled choice of recreational vehicles, from campervans to double floor A-class motorhomes, as well as low-profile and compact models.

The design of our warm, inviting interiors, our careful attention to our customers' needs and our unwavering commitment to a job well done, passed down from my grandfather Constant ROUSSEAU, continue to define us today.

We have worked hard to bring you a 2027 vintage packed with new features:

- The range is expanding with brand new models: the C66 and C66i, compact vehicles with twin beds, face-to-face bench seat and separate toilet, and the brand new V64 campervan with a central bed and completely redesigned spaces, featuring a bench seat accessible from the outside, a living room with panoramic views and an ingenious retracting table – the «slide table». In addition, our low-profile 666F will now be available with height-adjustable single beds.
- The launch of the OPTIMUM LINE special edition: high-spec models as standard to offer optimum comfort and greater autonomy, together with an exclusive design.
- A major step has been taken in a range of models in terms of on-board power, with the widespread adoption of lithium batteries, solar panels, compression refrigerators and diesel heating systems to enhance on-board autonomy and efficiency.
- Our two new furniture schemes, AURORA and PALATINA, are now available across all of our models, including those in the DISTINCTION series.

We invite you to discover all of these new products in our catalogue.

We wish you all a safe journey with RAPIDO.

AGILITY WITHOUT COMPROMISE

THE PRIVILEGE OF COMFORT IN A COMPACT FORMAT

A new layout: the compact low-profile and A-class models now have twin beds, a face-to-face bench seat and separate shower.

C66

C66 OPTIMUM LINE THE BOLD LOW-PROFILE MODEL

The perfect balance between handling and internal comfort. The new furniture, redesigned kitchen unit and face-to-face living room, enhanced by the SKYVIEW panoramic roof, offer a fresh on-board experience that is brighter, more modern and exceptionally comfortable. The layout of the bedroom with twin beds ensures full privacy when sleeping.

C66

C66i

The new OPTIMUM LINE series enhances the C66 and C66i. Just 6.99 metres long, these models redefine the art of travel and embody our commitment to create vehicles that are manoeuvrable, elegant and high-spec, bringing together unrivalled levels of comfort and autonomy.

C66i

C66i OPTIMUM LINE AN EXCEPTIONAL A-CLASS

The refinement of an A-class model in a compact design. Enjoy the spacious living area, twin beds that convert into a king-size bed, and complete energy self-sufficiency thanks to the lithium battery and solar panel fitted as standard.

NEW FEATURES ON THE V64

CAMPERVAN WITH CENTRAL BED

The comfort of a motorhome with the agility of a campervan.

Perfectly balanced dimensions

Measuring 6.36 metres in length and 2.63 metres in height, the V64 strikes the perfect balance between comfort and practicality. You keep all the natural agility of the campervan for driving and parking with ease, without compromising on living space.

The unique layout of the V64 redefines the on-board space with greater comfort in a compact design.

* Patent application filed.

Redesigned living spaces that open up to the outside

The interior layout is completely new. The living room offers a panoramic view of the outside, complemented by a bench seat accessible directly from the side door. The «slide table» and the storage drawers with external shelf allow you to adapt your living space to your needs in an instant.

A unique sleeping space with a central bed

The V64 has a layout featuring a proper central bed. You can enjoy the comfort of a bedroom with a large bed measuring 140 cm wide by 195 cm long, fitted with a headboard that lifts up to provide easy access to the spacious storage area and can be tilted to suit your preferences, as well as a day/night partition.

OUR NEW INTERIOR SIGNATURE

A bold design that redefines French elegance.

AURORA & PALATINA

2 different styles for a bespoke choice

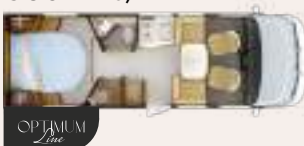

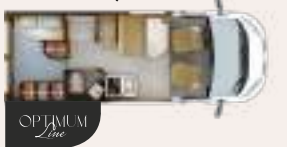

Two styles are available across our models for 2027. AURORA, a minimalist Nordic style with light, natural shades. PALATINA, a warm, more contrasting atmosphere. And, for the first time, these two styles are available as standard on the entire DISTINCTION SERIES.

A new interior design

With these new styles, RAPIDO is giving its interiors a fresh look. This revamp is embodied by a completely redesigned interior: window finishes, upholstery, kitchen (new fridge unit, taps in black or chrome depending on the style), optimised bedroom and bathroom areas: new shower, optimised toilets.

OPTIMUM LINE CAMPERVANS

V55 OPTIMUM LINE AN INNOVATION THAT MAKES ROOM

How does a campervan deliver such a sense of freedom? The V55 features a RAPIDO patented innovation: MODUL'SPACE®. This large wardrobe can rotate out and frees up the shower space by sitting above the bed. At night, it moves back into the shower space to free up the sleeping area. This year, the V55 features the high-spec OPTIMUM LINE series.

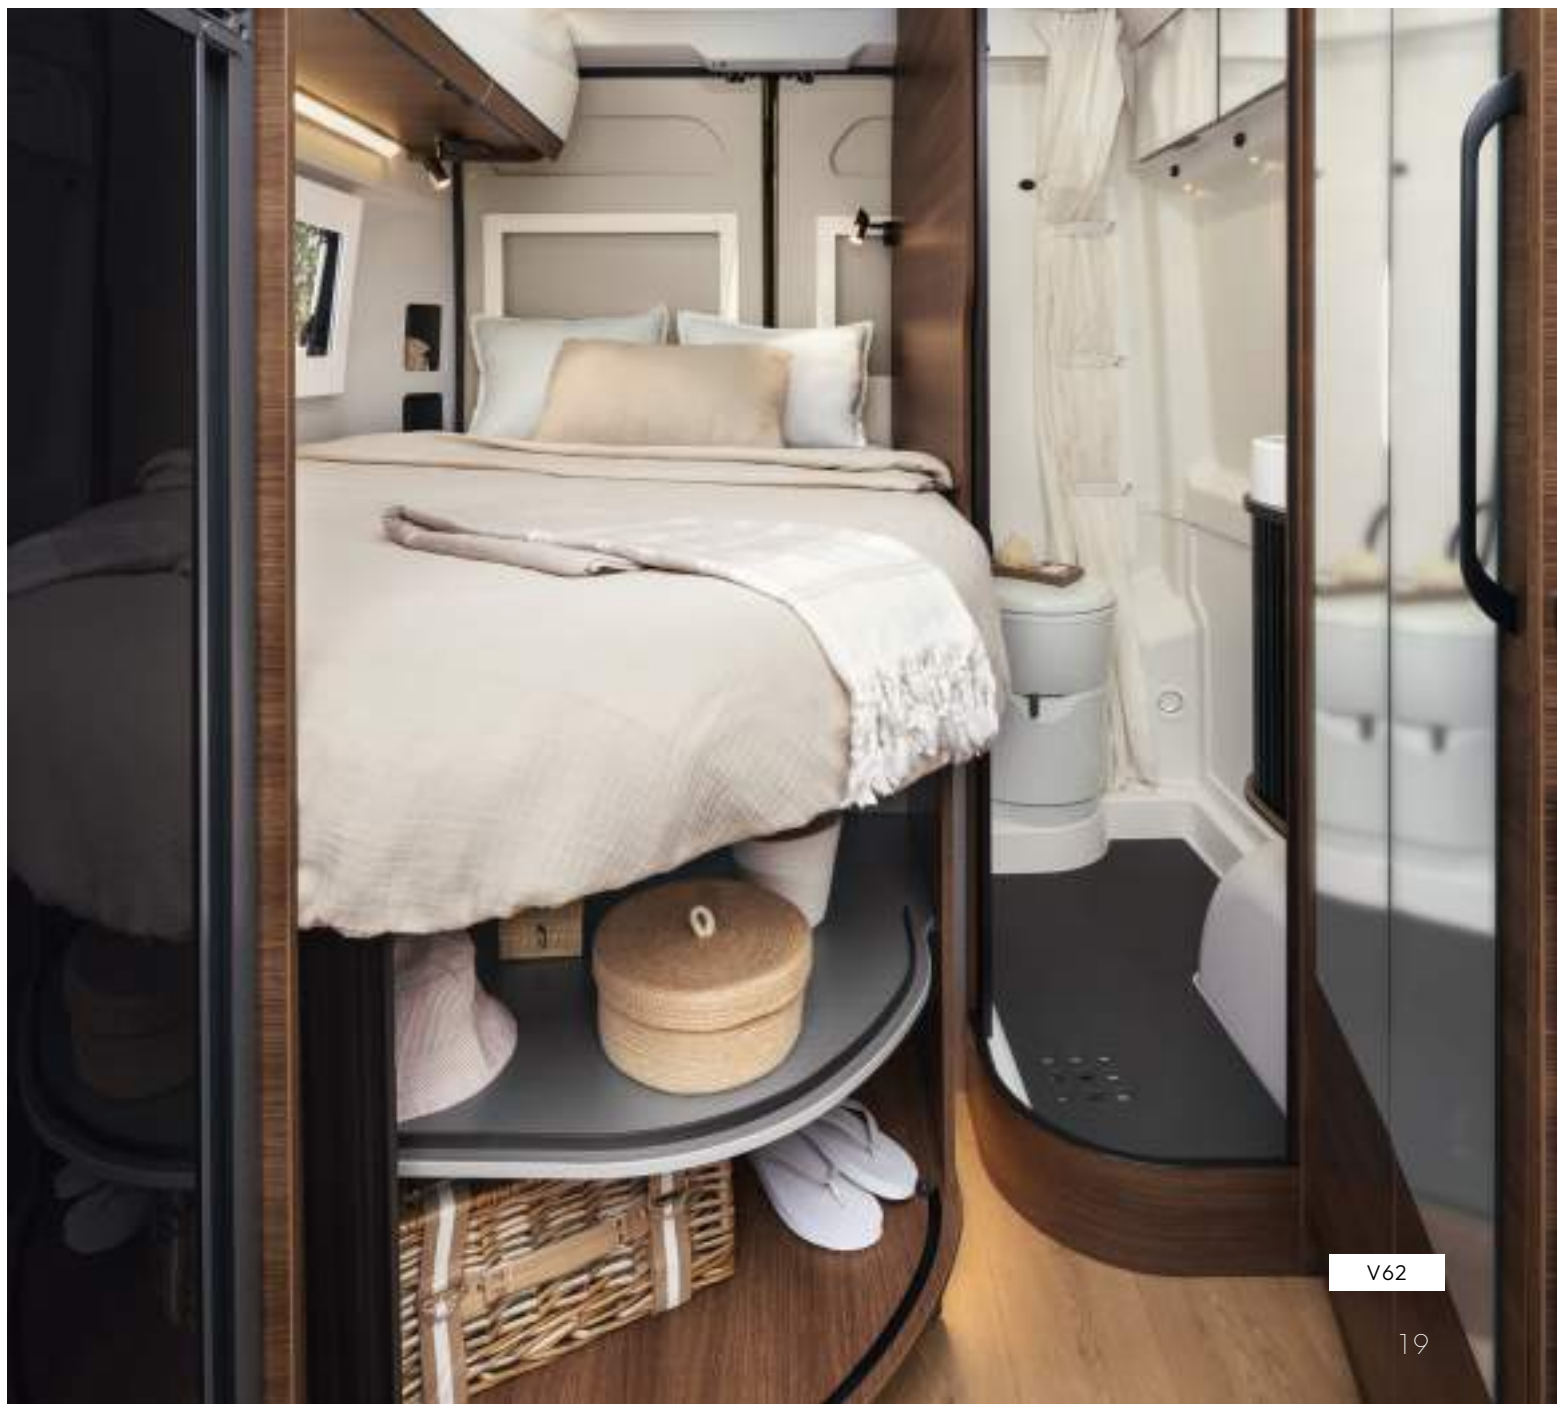

V55

V62 OPTIMUM LINE A UNIQUE LAYOUT WITH A FRENCH BED

The V62 features generous dimensions, worthy of a motorhome, and optimises interior space with an L-shaped kitchen, a spacious living room and a French bed. This year, the V62 is part of the high-spec OPTIMUM LINE special edition series and features elegant bodywork available in a choice of four colours, striking the perfect balance between compactness and absolute comfort.

V62

V62

V64

NEW

THE V64, ONE OF A KIND WITH A CENTRAL BED

RAPIDO has designed an exceptional campervan with a central bed and completely redesigned living area. Measuring 2.36 metres in height and 6.36 metres in length, this vehicle features a central bed that is 140 cm wide and 195 cm long, offering the comfort of a proper bedroom.

V64

The accessibility of the bench seat at the vehicle's entrance, the panoramic view of the outside and the new kitchen unit reveal an ingenious «slide table» that unfolds and can be stored away in no time. It has many other advantages too: lift-up headboard, easy access to the spacious storage area, XL steps, storage draw in the bench seat that can be converted into an external shelf, third sleeping berth in the cab, day/night partition and lots of storage space.

PACKED WITH NEW FEATURES

The 6F Series showcases RAPIDO's expertise through a range of low-profile models with an extra-wide rear track. The living area prioritises light and ease of movement. The attention to detail in the finish and the range of standard fittings create a sophisticated and well-balanced interior.

This season, the entire collection features a new exterior design, with the 666F and 696F models available in the OPTIMUM LINE version. The design is distinctive and the fittings enhanced for an optimal experience.

Another new feature is that our 666F model is now available with height-adjustable single beds.

SUCH STYLE!

6F Series low-profile models can be spotted at a glance thanks to the unmatched style of their low-profile hood.

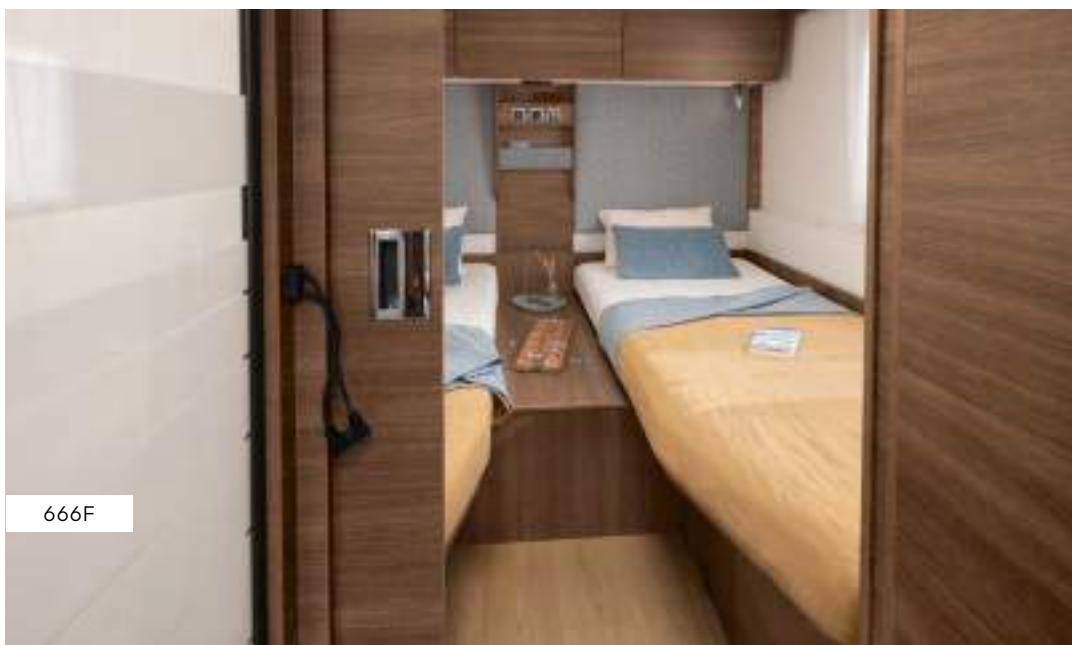

WILL YOUR 6F SERIES HAVE A DROP-DOWN BED?

Want to configure your 6F Series to suit you? Consider adding the optional electric drop-down double bed. In the 606F it is installed as a standard feature. Enjoy the ability to sleep four people in your vehicle.

BEAUTIFUL ON THE OUTSIDE

Series 6 models feature a new modern and elegant exterior design. The SKYVIEW panoramic roof, with its sporty look, introduces maximum sunlight into the living area. It is fitted with a handy electric defroster for greater comfort.

666F

COMFORTABLE ON THE INSIDE

The 2027 collection sees a major aesthetic change to the living area with our two new furniture styles, AURORA or PALATINA, and a fully redesigned interior: window finishes, new upholstery design, kitchen, bedroom, shower and toilets.

The limited-edition OPTIMUM LINE 666F and 696F models feature exclusive upholstery with OPTIMUM LINE embroidery.

A UNIQUE EXTERIOR DESIGN

With a modern front design and refined exterior style, this model exudes innovation. The panoramic windscreen, inspired by DISTINCTION shapes, delivers optimal visibility. The modern rear and wing mirror design adds a touch of sophistication.

The front and rear wheel arches reinforce the vehicle's dynamic look, while the cab's increased insulation provides unrivalled thermal comfort. LED headlights are available as an option, completing the redesign of this series' exterior.

8066dF

A CAB WITH MAXIMUM VISIBILITY

RAPIDO's 80dF Series revolutionises the cab space.

The cab bed, with improved stability, is simple to operate and lock while delivering greater comfort thanks to a mattress that is 45 mm wider. Visibility is optimised for unrivalled driving comfort.

8066dF

8096dF

DAYTIME AREA: A SOCIAL LIVING ROOM

8096dF

Welcome to your uniquely designed living room, where each detail contributes to creating a sense of space and togetherness. The furniture, thanks to the design of the lines and the use of varied depths, creates an impression of a much larger space. The net curtains (with PALATINA) and table top beautifully complement the selected decor to create a warm and welcoming setting.

8096dF

ENJOY A GOOD NIGHT'S SLEEP!

The sleeping space delivers maximum comfort with its modern design, whether you choose a central bed or twin beds. The king size bed in the 8066dF features an optimised design with ladder-free access, while the 3-piece backlit headboard creates a pleasant, bright atmosphere.

SERIE DISTINCTION

AN EXCEPTIONAL ENCOUNTER

When the expertise of RAPIDO meets the technological perfection of MERCEDES, the journey takes on a whole new dimension. The DISTINCTION Series is not just a motorhome: it's our interpretation of the art of travelling well. An exceptional vehicle where every detail embodies French excellence.

Here, the streamlined and aerodynamic design combines with outstanding engineering to deliver an uncompromising driving and living experience. Welcome to the world of DISTINCTION: our most exquisite creation for those who demand nothing but the best.

For this vintage, we offer a choice of two styles: Choose AURORA for its light, bright, modern tones or PALATINA for its welcoming, cosy feel. Everything has been designed so you can enjoy comfort and well-being in your RAPIDO: upholstery, fittings, cab layout, toilet and washroom spaces.

2 NEW STYLES: AURORA OR PALATINA

LARGE LIVING AREAS

ROBUST AND COMFORTABLE

A 180° EXPERIENCE FOR UNRIVALLED DRIVING COMFORT

Thanks to the sleek bodywork design and elegant dashboard, our DISTINCTION models boast unrivalled visibility with almost 60 cm of extra ground visibility.

The wide driver and passenger windows ensure your complete comfort on the road, combining safety with driving pleasure.

i96M

i96M

Everything has been designed with your on-board comfort in mind: all four models feature a large open living room with face-to-face bench seats, continuous hot water, an electric cab bed, multi-zone lighting with dimmers and cab air conditioning.

i96M

i96M

A CHOICE OF 4 MODELS: TWO LENGTHS AND TWO LAYOUTS

The DISTINCTION Series comes in two layouts combining two bed types - central bed or twin beds - each available in two lengths: 7.54 m or 8.15 m. Whichever configuration you choose, you are guaranteed to enjoy elegance and comfort.

With the i166M and i196M models, fittings and range are unrivalled, allowing you to travel for longer without stopping: a large water tank, a wide living area door and spacious wardrobes.

i166M

Attention to detail: all accessories have been designed specifically for the i166M and i196M:

the oven is fitted as standard and a space is provided for the coffee maker; the rear beds are electrically adjustable; a memory foam mattress topper is included as standard with the bed for a cosy night's sleep; the living area air conditioning is available as an option.

i166M

i166M

Travel under a lucky star:

our DISTINCTION models feature a 2.0-litre 170 hp MERCEDES engine with 9G TRONIC 9-gear automatic transmission.

Enjoy a robust vehicle packed with comfort on all your journeys.

Think big:

our DISTINCTION Series is available in two lengths (7.54 m for i66M and i96M; 8.15 m for i166M and i196M) and two heights delivering up to 2.03 m of ceiling height.

The i166M and i196M models' VSC chassis enables the double floor to have more height and also delivers more ceiling height for even greater comfort inside your vehicle.

+ 2027 INTERIOR STYLE

For this vintage, we offer the choice of two interior styles across all our models, so that you can personalise your RAPIDO as you wish.

Combine them to create a RAPIDO that suits you!

AURORA

THE GOOD LIFE

The AURORA style is inspired by Scandinavian design to create a light-filled interior.

Its light wood tones, combined with soft colours, transform the living area into a soothing and decidedly modern space.

This cosy and minimalist atmosphere encourages you to relax, offering an unrivalled sensation of lightness for your trips.

THE BEAUTY OF CONTRAST

For those seeking a distinctive character, the PALATINA style focuses on depth and prestige. The darker wood tones create elegant contrasts and emphasise the nobility of the materials used by RAPIDO. This is an exclusive interior, both cosy and sophisticated, which enhances your living area.

PALATINA

+ 2027 UPHOLSTERY STYLE

CUSHIONS TO MATCH YOUR FABRIC STYLE

A set of cushions with individual patterns comes with your selected upholstery. Your DISTINCTION model also features an exclusive kit (cushions and blanket). These will beautifully match your interior and enhance its style.
