In addition to the contractual 2-year warranty for your vehicle and the manufacturers' warranties on original accessories installed during assembly, you enjoy a 5-year warranty on furniture frames and watertightness when you have your vehicle moisture-checked annually during the 4 years after it is first registered. The warranties covering all accessories installed at the dealership are provided by the original manufacturers under their terms and conditions, through the dealer. The chassis warranty is provided by the chassis manufacturer. The cost of transport for a warranty is borne by the customer. Motorhomes, campervans and vans are designed for leisure use. Under no circumstances are they intended to be used as permanent homes.

Some models presented in this catalogue may be shown with optional equipment. Actual products may differ from images. Stylistic elements, décor and accessories not included. Since a portion of ITINEO's production is intended for export, the characteristics of the photographed models may vary from one country to another. For precise details on the retailed models available to you, please contact your dealer. ITINEO reserves the right to make modifications to its models without notice. Despite the care taken in the production of this catalogue, it cannot be taken as a contractual document. Your dealer will be happy to give you any further information you may require.
